Should a supplier's compliance with the Act be demonstrated to be unsatisfactory, we will review our continued relationship with that supplier to ensure BPET's confirmed adherence with the act.

We are committed to investigating any allegations of modern slavery or human trafficking, whether in our own organisation or in our outsourced suppliers, and our Whistleblowing Policy has been reviewed to include reference to the Act.

We will continue to seriously investigate suppliers as to their avoidance of modern slavery and human trafficking.

The Headteacher and BPET will review this policy statement biennially and update it in consultation with key staff, in line with current best practice as s/he considers necessary.
