Renewal:

Every BPET child and staff member enjoys a broad (LEARN) and enriched (ENJOY) learning experience, enabling them to achieve far greater individual success (SUCCEED) than they might previously have thought possible.

To grow hubs of like-minded, autonomous schools with a strong support network, all of which combine academic rigour with highly enriched opportunities that deliver a personalised approach to education and exceptional outcomes for all.

We are leading the way in delivering high quality education through skills-based and knowledge rich curricula, applying the best of the independent and state sectors to deliver breadth of opportunity and pupil enrichment. We empower all our schools as individual entities that best meet the needs of the communities they serve and have a strong relationship with families, who are our key partners in delivering the vision.

Every child is an individual. Our role is to nurture pupils' potential through a personalised approach to learning. BPET children are happy, independent, confident all-rounders. Our focus is ensuring an exceptional provision for all our children with supportive, accessible learning that enables every child to make progress, including high quality inclusion for children with Special Educational Needs. We encourage a 'be interested and be interesting' attitude in children and staff alike. We don't just teach; we want our pupils to have a passion to learn.

The Modern Slavery Act 2015 applies to all organisations, whatever the sector, which supply goods or services and which carry on a business or part of a business in the United Kingdom and whose global turnover exceeds £36 million. The Act requires such organisations to publish an annual slavery statement on their website.

As a provider of education to multiple schools, Bellevue Place Education Trust is committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business.

BPET is a multi-academy trust with ten schools in London and Berkshire providing education for primary school pupils. We employ over 500 teachers and support staff across our ten locations and have ambitions to grow the size of the organisation in the coming years.

As an education provider, some services are outsourced to third party suppliers. In 2023, the BPET Board approved this Modern Slavery Act Statement,

Should a supplier's compliance with the Act be demonstrated to be unsatisfactory, we will review our continued relationship with that supplier to ensure BPET's confirmed adherence
